NOTEWORTHY

SAFE ENVIRONMENT TRAINING

With the start of Religious Education and school activities on the horizon, now is a great time for all new volunteers who will be working with minors to complete an initial live Safe Environment class, a background check, and sign a current Code of Conduct BEFORE volunteering with youth.

We encourage new volunteers to plan ahead and take advantage of a greater availability of the class "Protecting God's Children for Adults" in the coming months so you have it completed before volunteering throughout the year. As we approach the winter and the holidays, there are less class options available. Scan the QRCode to see a list of class times and register via VIRTUS.

BRING ONE BACK

1

Why You? Why Me?

Aren't there more qualified people to bring people back to the church? such as a priest deacon or religious?

2

Lumen Gentium

"The laity are called in a special way to make the Church present and operative in those places and circumstances where only through them can it become the salt of the earth" (33).

3

"Go therefore and make disciples of all nations."

MT 28:19

4

★★★★★
You have gifts, skills, charisms and unique experiences!

5

Food for thought.

"Each person brings some unique dimension to helping the world hear and respond to the Good News."

ST. JOHN NEUMANN
