FAITH FORMATION

Totus Tuus is a summer program for kids currently in K-12th grade. A team of college students and seminarians will be here for five days to inflame the hearts and minds of the youth. Seminarians hope to inspire a true longing for holiness and a deep desire for conversion which empowers the youth to become Christian leaders. We hope they will dedicate their lives totally to God in imitation of Pope St. John Paul II's motto "Totus Tuus Maria" (Totally Yours, Mary). K-5th Graders is July 7-11 (Mon-Fri) 9am to 2:30pm; cost is \$50. 6th-12th Graders is July 6-10 (Sun-Thurs) 7-9pm; cost is \$20. Registration Link: bit.ly/StJoeTotusTuus2025

Summer Mission Trip Adopt-a-Student

This summer, nine high school students and five chaperons will travel to Salt Lake City and work with Catholic Charities to help those in need. These trips are life-impacting for the teens who attend them. Please consider helping out by participating in our Adopt-a-Student program; you're paired with one or more students to pray for them and make a donation towards their trip. NOTEWORTHY

WHERE IS DEACON GREG?

Dear Parishioners,
We'd like to update you on Deacon Greg. In late February, he was involved in a car accident at a car wash and has since been experiencing ongoing headaches. Despite numerous tests and imaging, the symptoms persist, preventing him from serving at Mass due to sensitivity to noise, light, and smells. Deacon Greg is currently working part-time at the Parish Center but is unable to drive. On behalf of Fr. Simon, Fr. Raj, the parish staff, and especially Deacon Greg, thank you for your prayers and kind calls. May the Lord grant him comfort and healing.

Parent Testimonials

"Loving and supporting, I could not be happier with the education provided by St. Joseph's Catholic School in the pre-school and pre-kindergarten programs! The school has become a second home to our family, providing high-quality education in faith. We have found a supportive community, with shared values. I couldn't think of any other place where I'd have my children grow in these key first years!"

—Andrea Howland

"Our daughter has done PreSchool and PreK at Saint Joseph Catholic School. In a world that bombards children so early on with screens, over-exposure of ideas, factory-programmed education and fast-paced living, this school and its faculty are a safe haven, respite, and source of stability – reinforcing values of character, intellectual excellence, and love of God and one's neighbor. The older children help nurture and mentor the young. The quality of families who surround this school is top quality. The aesthetics of the classrooms themselves feel alive, classic and enchanting, so counter to the clinical feel of a lot of modern classrooms. I couldn't imagine a better school for our child."

—Anders Lindwall

We love Saint Joseph Preschool/PreK Program! All three of our children have completed this program and have continued their education at St. Joe's. Here, our children are receiving an excellent education in a safe and loving environment, but it's the community that has been the biggest gain for our family. Knowing the teachers, staff, and fellow parents all share the same goal in raising our children to know and love Jesus Christ is what makes Saint Joseph School extremely special. We are eternally grateful for the support and friendships we have found here.
