# UPCOMING

In *Life Everlasting: Heaven, Hell, Death, and Judgment*, Catholic scholars Dr. Edward Sri and Dr. Jeffrey Morrow guide you through the Church's teachings on the last things—the great realities that await every human soul.

In five focused sessions, they draw from Scripture, the Catechism, and the wisdom of the Church to show how death, judgment, heaven, and hell are not abstract ideas meant to inspire fear, but profound truths that illuminate how we are called to live here and now. Through engaging video presentations and the companion study book, you and your group will reflect deeply on what it means to live each day in light of eternity. The sessions offer clear teaching, reflection questions, and opportunities for discussion, making it simple for leaders to foster meaningful conversation and prayerful discernment. *Life Everlasting* will help participants see how God's plan for our eternal destiny gives purpose to our struggles, clarity to our decisions, and hope for the future. By the end of this study, you will walk away with a renewed vision of your daily life, strengthened by the promise of eternal life with God.
