CAN YOU HELP?

LENTEN DIAPER DRIVE FEBRUARY 18 - APRIL 4

THE FACTS

Diapers are expensive and, for many families, the cost is overwhelming.

- Half of Colorado families struggle to afford diapers.
- One in four parents reports missing work because they cannot afford enough diapers for child care.
- Food stamps, Women, Infants and Children (WIC) and Medicare cannot be used to purchase diapers.
- The average baby uses about 10 diapers each day.

HOW YOU CAN HELP

1. Host a diaper drive at your school, business or community.
2. Volunteer to sort and distribute diapers.
3. Donate money to buy diapers by scanning the QR code at the bottom of this flyer.

Greatest Diaper Need:

sizes 5, 6 and 4T-5T Pull-ups

We are always collecting wipes and adult supplies, too!

SUPPORTING NEIGHBORS.
Transforming Lives.

THE NEEDS

Clean Diapers=Healthy Babies

We distribute more than two million diapers annually and the need continues to grow.

- The lack of diapers has a profound and complex impact on families, including health risks like rashes and urinary tract infections for children and mental problems such as stress, anxiety and depression for parents and children.
- Early childhood education centers require a one-week supply of diapers for children to attend and most don't accept cloth diapers.
