About the Biblical School: In response to the Second Vatican Council's call for renewal in the study of Scripture, the Denver Catholic Biblical School was founded in 1982 to give adults the tools and skills they need to hear anew the invitation of our Lord in the pages of the Bible...to follow Him. Since then, countless Biblical School students have found themselves walking in the footsteps of our Lord. This 4-year journey through all 73 books of the Bible helps you see salvation history as one great story: God's relentless pursuit of His people, fulfilled in Jesus Christ. You will read and study the whole Bible, from Genesis to Revelation, understand the story of Jesus Christ, and discover how Scripture will change your life. Ready to learn more?
